## Electrical Apprenticeship

Associated Builders and Contractors (ABC) of Wyoming offers apprentices all 4 years of electrical apprenticeship.

The related studies materials, Contren Learning Series, is provided by the National Center for Construction Education and Research (NCCER) through ABC of Wyoming.

This curriculum meets or exceeds all requirements for related studies.

Apprentices will be provided the Contren curriculum book for each year of apprenticeship.

Apprentice records, completed tests and performance profile sheets will be maintained at the ABC of Wyoming office.

Apprentices must get at least a 70% to receive credit for the module.

If a module is failed, the apprentice will be required to repeat, review and retest – in order to receive credit.

It is the responsibility of the apprentice or the company of the apprentice to report status to the Wyoming Electrical Board.

ABC of Wyoming will supply the apprentice with all documentation regarding related studies, grades and progress as needed.

The 2009-2010 ABC of Wyoming Electrical Apprenticeship Training classes will be held at the McMurry Training Center located at 2220 N Bryan Stock Trail in Casper Wyoming.
